EDUCATION

Bachelor of Computer Applications (BCA)   **Aug 2022 - May 2025**

The ICFAI University Jaipur

CGPA : 8.81

Senior Secondary (Class 12th)   **Aug 2020 - May 2021**

All Saints Church School, Jaipur

Percentage : 73%

TECHNICAL SKILLS

- **Languages and DataBases** : C++, Python, SQL, PostgreSQL, MySQL
- **Web Technologies** : Html, Css, JavaScript
- **Tools & Software** : Microsoft Excel, Linux

INTERNSHIP   **May 2024 – July 2024**

SQL Intern

Celebal Technologies, Jaipur

- Gained hands-on experience in SQL, MySQL, and PostgreSQL through real-time database projects.
- Worked on query writing, data extraction, optimization, and understanding backend data flow.

PROJECTS

Online Bookstore SQL Project (PostgreSQL)

- Analyzed bookstore data using PostgreSQL and three CSV files: Books, Customers, and Orders.
- Performed joins, aggregations, and filtering to extract key insights.

Retail Sales SQL Project (PostgreSQL)

- Built and managed a retail sales database to perform exploratory data analysis using PostgreSQL.
- Analyzed sales trends and answered business queries through advanced SQL techniques.

Code Editor

- Developed a responsive code editor using HTML, CSS, and JavaScript with multi-language support
- Showcased strong front-end skills and UI/UX understanding through clean design.

CERTIFICATIONS

- **Crash Course on Python by Google** - Coursera (Score : 91.87%)
- **Data Mining by IIT Kharagpur** - Swayam │ NPTEL (Score : 61%)
- **Azure AI Fundamentals** - Microsoft Learn Student Ambassador
- **TCS ION CareerEdge-Young Professional** - TCS ION
